LISTSERV.USF.EDU				•	7		-

5. After registering password, you will get another page called "Confirmation Sent" that says:

Your password registration request has been accepted. For your protection, the password will not be activated just yet (anyone could have completed this form using your email address). To activate your password, simply follow the instructions which have been sent to you at <u>YOUR.EMAIL@YOUR.DOMAIN</u>. Please wait until you receive a message from LISTSERV saying "Your new password was registered successfully" before trying to use it with the Web interface. If you don't see it in your email box, check your spam or junk folders.

6. You will be logged in to the page where you can see the Latest Messages where you can now Search Archives
